UFM's outreach programs provide consultation, technical assistance and mini-grants to Kansas communities interested in starting their own community education and development programs.

**UFM's Education Program**

UFM's Education Program offers diverse credit and noncredit classes as well as test preparation courses. Classes are taught by people who want to share their interest with others. Participants range from students, Manhattan area residents and KSU faculty/staff.

**The Manhattan Community Garden**

The Manhattan Community Garden is a cooperative gardening project with over 170 plots. Plot sign-ups occur in February and March each year.

**Lois Douglas Lectures**

Focusing on social justice, human rights, world peace and international development.

**For More Information on Any of These Programs, Call UFM at 539.8763 or Visit UFM Website: www.tryufm.org**

**The Teen Mentoring Program**

The Teen Mentoring Program was developed as a way to provide support and positive interaction to youth who have trouble relating to traditional youth programs. A varied curriculum is planned with opportunities for recreation and learning experiences. Middle and high school group meets two days a week after school. Call Jill at 539.8763.
LEARN TO SWIM CLASSES

UFM proudly offers the American Red Cross Swim Lessons Levels I - VI, Parent/Infant and Parent/Tot, and Tot Transition. UFM also offers private and adult swim classes. Small classes allow for carefully guided instruction in stroke technique and water safety. Water safety is reinforced with tips and practice each day. The first day of class each student is evaluated to assure that they are in the proper class. Students advance through the levels at their own rate and are moved to different class levels as space permits and skill advancement demands.

LOCATION: KSU Natatorium - Ahearn Complex

Lockers are available for use during class. Participants must supply towels and swimsuits. Children over the age of 5 are not permitted in restrooms/locker rooms of the opposite sex. Changing tables are available in both the men’s and women’s locker rooms.

NOTE: Minimum enrollment for all classes is 4. If less than 4 enroll, classes may be combined, changed to private or semi-private lessons or cancelled.

Level III: Stroke Development
The objective of Level III is to build on the skills in Level II by providing additional guided practice. Students will learn to coordinate the front and back crawl. They will be introduced to the elementary back stroke and butterfly stroke. Students will also learn rules for safe diving and learn to dive from the side of the pool. Students entering this course must have a Level II certificate or must be able to demonstrate all the completion requirements in Level II.

Fee: $54.00 per session (10 lessons)

Level IV: Stroke Improvement
The objective of Level IV is to develop confidence in the skills learned and improve other aquatic skills. Students will increase their endurance by swimming familiar strokes (elementary backstroke, front crawl, back crawl, breaststroke) for greater distances. Students will be introduced to the basics of turning at a wall and coordinating the butterfly stroke. Students entering this course must have a Level III certificate or must be able to demonstrate all the completion requirements in Level III.

Fee: $54.00 per session (10 lessons)

Level V: Stroke Refinement
The objective of Level V is coordination and refinement of all strokes. Participants learn to perform each of the strokes over increased distances as well as learn surface dives and flip turns. Students entering this course must have a Level IV certificate or must be able to demonstrate all the course requirements of Level IV.

Fee: $54.00 per session (10 lessons)

Level VI: Swimming and Skill Proficiency
The objective of Level VI is to refine the strokes so students swim them with ease, efficiency, power and smoothness over greater distances. Level VI is designed with "menu" options that focus on preparing students to participate in more advanced courses, including the Water Safety Instructor and Lifeguard courses. These options include: Personal Water Safety, Fitness Swimming, Lifeguard Readiness, and Fundamentals of Diving. Students entering this course must have a Level V certificate or be able to demonstrate the skills required to complete Level V.

Fee: $54.00 per session (10 lessons)

Adult Swim Lessons
Are you tired of sitting on the sidelines watching everyone else swim? Well, you don’t need to anymore. Now’s your chance to learn how to swim. This class is for adults who want to become comfortable in the water, add to their knowledge of personal safety, and increase enjoyment of their leisure time. No prerequisites. If enrollment is low, this class will be moved to private or semi-private lessons.

Fee: $42.00 (8 lessons for 40 minutes)

The Digital Darkroom for Photographers: Introduction to Photoshop, Image Processing & Printing 09ACF65

Digital imaging is becoming increasingly popular and the development of the “digital darkroom” has made it possible for people to make high quality prints of photographs or other artwork at home. Students will use Adobe Photoshop Elements 5 (the freeware image processing software GIMP is also available) as well as inkjet printing.

Some of the topics to be covered will include introduction to the idea of a constant workflow, introduction to Photoshop and image editing software, image capture (either with a scanner or digital camera), using camera RAW, image resolution and size, color management, basic image adjustments such as levels and curve adjustments, color correction, dust and scratch clean-up, an introduction to layers, making prints with inkjet printers, and organizing and archiving your digital photos.

Special topics such as assembling panoramas and combining multiple exposures will also be introduced. Photographs will be processed in real time using Photoshop during the class and students will get a chance to work on some of their own photos. An example print will also be made during class.

Instructor: Scott Bean, (785) 776-2725, srbean@ksu.edu

Scott Bean has been enjoying the hobby of nature photography for several years. Photography is a wonderful way to enjoy the beauty of nature. Each photograph represents a unique view of our world. Scott would like the chance to help others get started in this wonderful hobby. His goal is to help you avoid some of the common mistakes he experienced as a beginning photographer and help you get the most out of your camera and avoid being frustrated with your camera.

Introduction to Photography 09ACF78

This class will focus on basic concepts of photography. To get the most out of this class, participants should have either a film or digital camera that users can take complete manual control of settings such as aperture (f-stop) and shutter speed; such as SLR's or advanced compact cameras.

Topics that will be covered include basic camera settings and operation, how f-stop and shutter speed affect your photos, how to select the right settings, and choosing and using different lenses. The class will also cover an introduction to exposure, metering and controlling light, composition and learning to see creatively. Discussion of issues relevant to digital photography such as white balance and image resolution will also be covered. The class will emphasize landscape and nature photography, but anyone interested in photography will benefit. The class will include 5 class room meetings and 4 field trips. Exact times of the field trips will be discussed at the first class, but will be on Saturday evenings a couple of hours before sunset. Participants will be responsible for their own film and development costs. In addition, participants are encouraged to bring photographs from the field trips to the following class session for discussion.

Grassroots Award

The Grassroots Community Education Award is an annual recognition by UFM for someone who has made an outstanding contribution to grassroots community education and learning. The 28th recipient of the UFM Grassroots Community Education Award is Bruce Snead.

Bruce is a State Extension Specialist at Kansas State University. He conducts technical training and public education on the issues of radon, indoor air quality, energy efficiency and sustainable communities.

Bruce not only serves the community, the state and the region, but he has had a personal interest in UFM, our community efforts and our energy projects. Bruce is a former UFM staff member who has continued to lend his expertise, advise and encouragement as we renovated the Solar addition.

Bruce was involved in building the Solar Addition in 1980, managed the construction and worked with the Construction staff. Bruce also taught classes at UFM on the UFM Solar greenhouse and on Residential Energy Conservation. He provided great assistance during the recent renovation.

Bruce has been a friend to Manhattan, to the state of Kansas and to UFM as he furthers the mission of community dialog, energy efficiency, conservation and sustainability.

Clutter Clearing
Clearing our environment is a dynamic tool for change. Clutter holds us in the past, preventing us from living fully. We will examine the energetics of clutter and discuss ideas that empower us to let go of our excess baggage! A variety of organizing strategies and principles of feng shui will also be utilized. Homework assignments are an integral part of class. Come prepared to liberate yourself!
Instructors: Elizabeth Jankord & Kate Cashman, (785) 537-1911

Not neatniks by nature, Elizabeth Jankord and Kate Cashman have discovered that the energetic approach to clutter works. They operate Clutterbusters, a consulting business.

Introduction to Feng Shui
Feng Shui, the Chinese system of design and placement, is over 3,000 years old. It is part of the Chinese culture that has many adherents in the west. Learn how to live a more balanced life based on color, energy and environment from a specialist in the practice of this enchanted art.
Instructor: Don Terhune, (785) 539-4277

Introduction to Voiceovers
Have you ever wanted to be the voice everyone hears on commercials and documentaries? This fun and interactive class covers details of the industry, the importance of marketing, and of a demo tape. You will be coached and recorded for a personal evaluation. Be warned -- many who have taken this class have gone on to become real, bona-fide professional Voice Actors! This class is taught by a professional voice actor from the voice acting training company, Voices For All.
Instructor: Voices For All

The Voices For All Coach/Producer/Instructors have many years of experience in the Voiceover Industry and are masters at teaching all of the information pertinent to making it in Voice Acting.

Beginning Belly Dance 09ARF09A
This course will cover the fundamentals of Middle Eastern Dance, more commonly known as Belly Dance. It will include basic moves such as hip and rib isolations, traditional arm moves, undulations and traveling steps. You will also learn a fun choreography to all the moves together! Please wear comfortable clothing and be prepared to have fun!
Instructor: Michelle Selm, (785) 643-9287
mikaselm@gmail.com

Michelle “Mahlika” Selm was introduced to Belly Dance during high school, but truly immersed herself in the art as an alternative form of physical therapy. After suffering a spinal injury in 2005, Mahlika turned to belly dance to help her regain strength and flexibility. She has been dancing for seven years and danced with the Maya Zahira School of Belly Dance for three years. Mahlika teaches from a desire to share an art form which has given her so much with as many people as possible. She values the expressive quality of belly dance and believes that everyone can benefit from the culture of acceptance and positive body image that thrives within the belly dance community. She also loves the stress relief inherent in this art form and dances for fun and relaxation.

Bicycling for Transportation, Fitness & Fun 09ARF13
Cycling is one of the most basic and efficient forms of transportation, and a fantastic form of exercise. With the price of gasoline climbing higher and higher, more people are looking to their bicycles for short trips around town. Or, maybe you have been wanting to do some riding to get in better shape. Either way, it takes some skill and knowledge to ride safely across town on roads dominated by cars. This class will help you gain the skills and knowledge to feel confident using a bike to commute, increase your fitness, and to have a great time no matter what the weather is doing. Classes will take place on off the bike, and will cover safety considerations, rules of the road, basic mechanical skills, equipment considerations, bike handling skills, best routes of travel, and training for fitness. At a minimum, participants need a bicycle in good working order, a helmet, a spare tube, and tire levers.
Instructor: Ric Rosenkranz, (785) 317-5751
trirosenkranz@hotmail.com

Ric Rosenkranz has been a bicycling commuter for over 5 years, owns four bikes, and prefers cycling over driving any day. Ric is also a former professional triathlete and triathlon coach holding a Level III elite license with USA Triathlon.

**Parkour: The Art of Movement 09ARF80**
Learn the basics of Parkour in a fun and safe environment! Parkour, aka PK, was developed in France in the mid 1990's as a powerful, efficient and fast way of moving from place to place, using only the capabilities of the human body. It is an art or discipline that resembles self-defense in the ancient martial arts. As Parkour is very much a physical activity, some degree of fitness will help you get the most out of this class. We will be practicing outdoors during the class. (First aid kits will be on hand) Under 18 requires parent/legal guardian to sign liability wavier.
Instructor: Miles Hackney, emme@wamego.net
Date: 04/11/2009 to 05/02/2009 (Sa)
Time: Noon to 2:00 PM
Fee: $18.00
Location: K-State Ahearn Room 302

Miles Hackney has been practicing Parkour since 2007 and regularly freeruns on the K-State campus. He is also training in Tae Kwon Do and Israeli Self Defense.

Yoga for Runners 09ARF81
Have you noticed how tight your body feels as a runner? This class is for you! Yoga improves our strength and balance, but also increases our flexibility, which is especially important for us as runners. We will focus on our tight hamstrings and hip flexors, while strengthening our upper body (sometimes overlooked by runners), ankles and core muscles. All levels from beginners to experienced yogis welcome, as class will be taught multi-level. A yoga mat is recommended but not required.
Instructor: Diana Knox, (785) 539-7095, dknox@ksu.edu

Yoga-Pilates 09ARF142AZ
Yoga-Pilates is a hybrid class combining both yoga and pilates. You will learn about the different types of yoga and various poses with their beginner and more advanced positions. Pilates is a series of exercises or poses that are connected in a particular way to increase circulation and flexibility. Learn what the "powerhouse" is as we strengthen our backs and abdominals. A sticky mat is recommended but not required. Please wear comfortable clothes that will not restrict movement and try not to eat 2 hours before class (a small snack is OK).

DONATIONS
UFM accepts donations of money and usable office items.
Private monetary donations help underwrite the costs of maintaining the UFM building, coordinating the catalog of classes and special projects such as scholarships, youth projects or gardening.
Tax deductible contributions may be sent to UFM at:
1221 Thurston St
Manhattan, KS 66502

UFM’s website is updated frequently. For the most current information, please visit website, www.tryufm.org, and click on Non-Credit classes.

CREDIT ENROLLMENT FEE: Courses taken for credit carry additional fees required for University administration of the credit program. A $25.00 late fee will be charged for enrollments taken after the first day of classes. Additional student activity and health fees may be assessed for students enrolled in 6 or fewer KSU credit hours. There is a non-refundable material fee for withdrawing from some classes after the first day.

DISABILITY SUPPORT SERVICES: A student with a disability who wishes to request accommodations for a credit course should notify the course instructor or contact the Disability Support Services office, www.k-state.edu/dss, 785/532-6441 or dss@k-state.edu. Early notification is requested to ensure that accommodations can be provided in a timely manner.

INCLEMENT WEATHER POLICY
UFM courses held on campus follow the inclement weather policy of Kansas State University. Courses will be conducted unless all University courses are cancelled. If the instructor informs his/her students personally that he or she will not be present at a given class meeting, the instructor is then responsible for arranging a make-up lesson.

LIABILITY STATEMENT
Individual participants should be aware of the risks and hazards involved in recreational sports and fitness activities. They should voluntarily elect to utilize KSU and UFM facilities and participate in programs recognizing present conditions and further agree to voluntarily assume all risks of loss, damage or injury that may be sustained while using facilities and participating in programs. They should voluntarily elect to utilize KSU and UFM insurance or protection in case of injury resulting from the use of University facilities or participation in programs. It is recommended that all participants have a complete physical before engaging in any physical recreation program.

NONDISCRIMINATION POLICY
UFM Community Learning Center is committed to nondiscrimination on the basis of race, gender, national origin, disability, religion, age, sexual orientation, political beliefs or other non-merit reasons. In admissions, educational programs or activities and employment (including employment of disabled veterans and veterans of the Vietnam Era) as required by applicable laws and regulations. Students under age 18 need the permission of a parent or guardian. Some individual classes may have age restrictions or may require instructor permission. Please call (785/539-8763) to make arrangements for classroom accessibility.
