LEARN TO SWIM CLASSES

UFM proudly offers the American Red Cross Swim Lessons Levels 1 - 6, Parent/Infant and Parent/Tot, and Tot Transition. UFM also offers private and adult swim classes. Small classes allow for carefully guided instruction in stroke technique and water safety. Water safety is reinforced with tips and practice each day. The first day of class each student is evaluated to assure that they are in the proper class. Students advance through the levels at their own rate and are moved to different class levels as space permits and skill advancement demands.

LOCATION: KSU Natatorium - Ahearn Complex
Lockers are available for use during class. Participants must supply towels and swimsuits. Children over the age of 5 are not permitted in restrooms/locker rooms of the opposite sex. Changing tables are available in both the men’s and women’s locker rooms.

NOTE: Minimum enrollment for all classes is 4. If less than 4 enroll, classes may be combined, changed to private or semi-private lessons or cancelled.

SWIM PROGRAM MAKE-UP & REFUND POLICY

Producing Podcasts for Community Radio 09BPI58A
KONZ-FM, the new Flint Hills Community Radio Station, is scheduled to go on the air in 2010. It will be a listener-supported, non-commercial public station, and much of the programming will be locally-produced. If you might be interested in hosting a specialty program when the station goes on the air next year, then please sign up to attend either of the two informational meetings listed below. We’ll explain the station’s programming priorities and the later training you would be required to complete before you could host your own program.

Most of our time at these two informational meetings will be devoted to hearing your program ideas. If your idea is selected for production, we’ll arrange later individualized appointments for basic technical training and equipment practice, so that you can make a recording of a portion of your proposed program. The best of these recordings will be posted as podcasts on the new KONZ website, where the general public can get a sense of the programming they can expect to enjoy on the station.
