UFM Puts the Community in Education!
ABOUT UFM CLASSES

UFM adheres to the philosophy that everyone can learn and everyone can teach. UFM is a community learning program which contracts with nonprofessional community instructors. Consequently, we cannot guarantee that the courses offered are accurate or complete in content and quality of instruction. We rely on the credentials provided by instructors, class observation and participant feedback as tools for evaluating a class and an instructor’s ability.

UFM classes are not a forum for selling a product or service from which the instructor might benefit. Materials specifically oriented to an instructor’s financial interests are not to be distributed in class. Participants who wish to pursue a relationship with an instructor outside class time do so on their own responsibility. Please share any concerns you may have about class material or an instructor by calling Marcia at 539.8763.

UFM CANCELLATION POLICY

When we cancel or reschedule a class, you will be notified. Therefore, it is extremely important that we have a daytime and an evening phone number where we may reach you or leave a message. We reserve the right to cancel any class.

REFUND POLICY

We will provide a full refund if a class is canceled by UFM. If a student withdraws from a class 48 hours before the class begins, a full refund may be given, except for any published non-refundable material fees. No refunds will be given once class has started.

DISCLAIMER

UFM Community Learning Center serves as a forum to bring together persons who want to share their personal ideas and/ or learn skills in a variety of areas. UFM, its staff and board of directors do not endorse any particular viewpoint or philosophy presented in classes, activities or events included in any UFM publication.

INCLEMENT WEATHER POLICY

UFM courses held on campus follow the inclement weather policy of Kansas State University. Courses will be conducted unless all University courses are cancelled. If the instructor informs his/her students personally that he or she will not be present at a given class meeting, the instructor is then responsible for arranging a make-up lesson.

LIABILITY STATEMENT

Individual participants should be aware of the risks and hazards involved in recreational sports and fitness activities. They should voluntarily elect to utilize KSU and UFM facilities and participate in programs recognizing present conditions and further agree to voluntarily assume all risks of loss, damage or injury that may be sustained while using KSU or UFM facilities or participating in programs. KSU Continuing Education/UFM assumes no responsibility for costs involved with individual injury or property loss incurred in connection with the use of University or UFM facilities. Individuals are reminded that they should review their own circumstances to determine if they have adequate insurance or protection in case of injury resulting from the use of University facilities or participation in programs. It is recommended that all participants have a complete physical before engaging in any physical recreation program.

DONATIONS

UFM accepts donations of money and usable office items. Private monetary donations help underwrite the costs of maintaining the UFM building, coordinating the catalog of classes and special projects such as scholarships, youth projects or gardening. Tax deductible contributions may be sent to UFM at 1221 Thurston St, Manhattan, KS 66502.

SPECIAL ASSISTANCE

A participant in a UFM non-credit program with a disability who needs accommodations should indicate this at the time of registration. Any class can be placed in a handicapped accessible room.

NONDISCRIMINATION POLICY

UFM Community Learning Center is committed to nondiscrimination on the basis of race, gender, national origin, disability, religion, age, sexual orientation, political beliefs or other non-merit reasons, in admissions, educational programs or activities and employment (including employment of disabled veterans and veterans of the Vietnam Era) as required by applicable laws and regulations. Students under age 18 need the permission of a parent or guardian. Some individual classes may have age restrictions or may require instructor permission. Please call 785.539.8763 to make arrangements for classroom accessibility.

MAILING YOUR REGISTRATIONS?

Class confirmations will not be sent unless requested. Consider yourself registered when we receive payment unless you hear from us that the class is full. Feel free to call us to inquire about our receipt of your registration.

SUMMER 2012 INSTRUCTORS

We are fortunate to have so many talented and knowledgable individuals who are willing to share with others through a UFM class. UFM would like to recognize and applaud the UFM instructors.

LEARN TO SWIM CLASSES

UFM proudly offers the American Red Cross Swim Lessons Levels 1-6, Parent and Child Aquatics, and Tot Transition. UFM also offers private and adult swim classes. Small classes allow for carefully guided instruction in stroke technique and water safety. Water safety is reinforced with tips and practice each day. The first day of class each student is evaluated to ensure that they are enrolled in the proper class. Students advance through the levels at their own rate and are moved to different class levels as space permits and skill advancement demands.

LOCATION: K-State Natatorium - Ahearn Complex on Denison Ave.

Participants must supply towels and swimsuits. Children over the age of 5 are not permitted in restrooms/locker rooms of the opposite sex. Changing tables are available in both the men’s and women’s locker rooms.

PARKING: K-State parking permits are required during the weekdays on campus and parking lots before 5 pm. Parking on city side streets is permitted after 9 am. K-State Parking Services (532-7275), located in Parking Garage, offers daily ($4/day), weekly parking passes, and garage parking for an hourly fee.

SWIM PROGRAM MAKE-UP & REFUND POLICY:

When a class is cancelled due to severe weather, or other circumstances when a lesson cannot be provided by UFM, a make-up class will be scheduled OR a refund will be issued in the amount of the missed lesson. When class participants are absent from class, UFM will not issue a refund or make-up session due to staff availability, budgeting and scheduling constraints.

NOTE: Minimum enrollment for all classes is 4. If less than 4 enroll, classes may be combined, changed to private or semi-private lessons or cancelled.

BEGINNING & ENDING DATES (PARENT AND CHILD AQUATICS, TOT TRANSITION AND PRIVATE SWIM LESSONS)

Session A1: Monday - Thursday, June 4 - June 7
Session A2: Monday - Thursday, June 11 - June 14
Session B1: Monday - Thursday, June 18 - June 21

Ttot Transition (3-4 yrs)

If your toddler is ready to try the water without a parent, but not ready for Level 1, this short class is for them. The primary objective of preschool aquatics is to promote the developmentally appropriate learning of fundamental water safety and aquatic skills by young children. Some of the skills to be introduced include: water entry and exit, breath control and submerging, buoyancy, changing direction and position, treading and swimming on front and back.

Fee: $29.00 per session (4 lessons/35 min)

Level I: Introduction to Water Skills
The objectives of Level 1 are to learn basic personal water safety information and skills, to help participants feel comfortable in the water and to enjoy the water safely. At this level, participants start developing positive attitudes, good swimming habits and safe practices in and around the water.
Fee: $54.00 per session (8 lessons/45 min)

Session A: Monday - Thursday
AQ01A1 9:55 AM to 10:40 AM
AQ01A2 10:45 AM to 11:30 AM
AQ01A3 5:30 PM to 6:15 PM
AQ01A4 6:30 PM to 7:15 PM
Session B: Monday - Thursday
AQ01B1 9:55 AM to 10:40 AM
AQ01B2 10:45 AM to 11:30 AM
AQ01B3 5:30 PM to 6:15 PM
AQ01B4 6:30 PM to 7:15 PM
Session C: Monday - Thursday
AQ01C1 9:55 AM to 10:40 AM
AQ01C2 10:45 AM to 11:30 AM
AQ01C3 5:30 PM to 6:15 PM
AQ01C4 6:30 PM to 7:15 PM

Level II: Fundamental Aquatic Skills
The objective of Level 2 is to give participants success with fundamental skills. Participants learn to float without support and to recover to a vertical position. This level marks the beginning of true locomotion skills. Participants further develop simultaneous and alternating arm and leg actions on the front and back that lay the foundation for future strokes. As in all levels, safety skills will be presented to improve comprehension of previous knowledge.
Fee: $54.00 per session (8 lessons/45 min)

Session A: Monday - Thursday
AQ02A1 9:55 AM to 10:40 AM
AQ02A2 10:45 AM to 11:30 AM
AQ02A3 5:30 PM to 6:15 PM
AQ02A4 6:30 PM to 7:15 PM
Session B: Monday - Thursday
AQ02B1 9:55 AM to 10:40 AM
AQ02B2 10:45 AM to 11:30 AM

AQ02B4 6:30 PM to 7:15 PM
Session C: Monday - Thursday
AQ02C1 9:55 AM to 10:40 AM
AQ02C2 10:45 AM to 11:30 AM
AQ02C3 5:30 PM to 6:15 PM
AQ02C4 6:30 PM to 7:15 PM

Level III: Stroke Development
The objective of Level 3 is to build on previously learned skills by providing additional guided practice. Participants will learn to survival float, swim the front crawl and elementary backstroke. Scissors and dolphin kicks, as well as the fundamentals of treading water will be introduced. Participants will also learn rules for headfirst entries and begin to learn to enter the water headfirst from a seated position at poolside. As in all levels, safety skills will be presented.
Fee: $54.00 per session (8 lessons/45 min)

Session A: Monday - Thursday
AQ03A1 9:55 AM to 10:40 AM
AQ03A2 10:45 AM to 11:30 AM

AQ03D2 10:45 AM to 11:30 AM
AQ03D3 5:30 PM to 6:15 PM
AQ03D4 6:30 PM to 7:15 PM

Level IV: Stroke Improvement
The objectives of Level 4 are to develop participants’ confidence in the strokes learned thus far and to improve other aquatic skills. In Level 4, participants improve their skills and increase their endurance by swimming familiar strokes (front crawl, elementary backstroke) for greater distances. Participants add the arms to the scissors kick for the sidestroke. Participants also start to learn the back crawl, breaststroke and butterfly and the basics of turning at a wall.
Fee: $54.00 per session (8 lessons/45 min)

Session A: Monday - Thursday
AQ04A1 9:55 AM to 10:40 AM

AQ04D2 10:45 AM to 11:30 AM
AQ04D3 5:30 PM to 6:15 PM
AQ04D4 6:30 PM to 7:15 PM

Level V: Stroke Refinement
The objectives of this level are coordination and refinement of strokes. Participants refine their performance of all the strokes (front crawl, back crawl, butterfly, breaststroke, elementary backstroke and sidestroke) and increase their distances. Flip turns on the front and back are also introduced.
Fee: $54.00 per session (8 lessons/45 min)

Session A: Monday - Thursday
AQ05A1 9:55 AM to 10:40 AM
AQ05A2 10:45 AM to 11:30 AM
AQ05A3 5:30 PM to 6:15 PM
Session B: Monday - Thursday
AQ05B1 9:55 AM to 10:40 AM
AQ05B2 10:45 AM to 11:30 AM
AQ05B3 5:30 PM to 6:15 PM
Session C: Monday - Thursday

AQ05D1 9:55 AM to 10:40 AM
AQ05D2 10:45 AM to 11:30 AM
AQ05D3 5:30 PM to 6:15 PM

Level VI: Swimming and Skill Proficiency
The objectives of this level are to refine strokes so participants can swim them with more ease, efficiency, power and smoothness and over greater distances. Level 6 also introduces other aquatic activities and offers three options - Personal Water Safety, Fundamentals of Diving and Fitness Swimmer. These options focus on preparing participants for more advanced courses, such as the Water Safety Instructor course, or other aquatics activities, such as competitive swimming or diving.
Fee: $54.00 per session (8 lessons/45 min)

Session A: Monday - Thursday
AQ06A1 9:55 AM to 10:40 AM

Basic Camera Controls Workshop 12BCF172
In this class we will explain the basics of photography, including what f-stop, shutter speed, and ISO are, and how these factors interact with each other to determine exposure. We will discuss, in depth, how to operate your camera in both automatic and manual modes, how to set shutter speed, f-stop, ISO, white balance, and in-camera processing controls. We will also cover the use of your camera’s histogram, live view, and autofocus and drive modes. There will be time during the class set aside for everyone to practice setting their camera and to get individual instruction with their camera.

This class is designed for the beginning photographer looking to learn how to operate their camera better and to gain a better understanding of the basics of photography. To get the most from this class, participants will need a camera that has some form of manual exposure mode (full manual, aperture priority or shutter priority). Not sure if your camera has those modes? Just contact us and we will look into it for you. Each participant will need to bring their camera and the manual for it, if available. Handouts from the material presented in class will be provided to each participant.
Instructors: Scott Bean & Wayne Rhodus

Scott Bean has been enjoying the hobby of nature photography for several years. Scott would like the chance to help others get started in this wonderful hobby. His goal is to help you avoid some of the common mistakes he experienced as a beginning photographer and help you get the most out of your camera and avoid being frustrated with your camera. scott@scottbeanphoto.com

Wayne Rhodus is nearly a lifelong resident of Kansas and takes great joy in photographing all things natural. While exploring the natural places and national parks of the country, he’s driven to record the beauty and diversity of nature’s miracles. wrhodus@hotmail.com

Creative Camera Controls Workshop 12BCF173
In this class, we will provide a better understanding of how f-stop controls depth of field and how to use depth of field for creative effects; how to control motion with shutter speed and how you can use this creatively, and how you can modulate these effects using your ISO setting. We will also provide an overview of different types of light, how light interacts with the way you set your camera and how to work with light to create the photograph you want using filters and techniques such as high dynamic range photography. We will discuss the basics of composition and how camera settings interact with composition to create your final image. We will provide time during class to make some photographs using the material covered during the day.

This class is designed to help the beginning photographer bridge the technical and creative sides of photography. To get the most from this class, participants will need a camera that has some form of manual exposure mode (full manual, aperture priority or shutter priority). Not sure if your camera has those modes? Just contact us and we will look into it for you. Each participant will need to bring their camera and the manual for it, if available. Living the Art: Jin Shin Jyutsu 12BHW08A
Jin Shin Jyutsu is an ancient harmonizing art for body, mind and spirit. During class we practice easy self-help techniques and learn ways to interpret our body’s messages to us: as we get to know ourselves, we are better able to help ourselves. Jin Shin Jyutsu is as simple as exhaling and inhaling, and as complicated and intricate as our bodies. This class lends itself to beginners and is also appropriate for anyone who has previously taken a class. Jin Shin Jyutsu is a subtle, relaxing and profound support for our entire being. Please wear comfortable clothes, bring a light lunch and your smile.

The Flint Hills Resilience Coalition is a community-based, community-led networking organization, in which all those interested in building resilient and sustainable communities in the Flint Hills Region can connect, find fellowship, share information, create partnerships, and celebrate steps forward. The group meets every other Sunday (from May 15) at 5 PM in the Solar Addition at UFM, 1221 Thurston St. and they invite you to attend and become involved in the discussion.

Manhattan Area Renewable Energy/Efficiency Cooperative 12BPI102
This meeting is intended to form a cooperative to educate, purchase and install solar and energy efficiency hardware in the Manhattan area. Based on a model from New Hampshire (www.plymouthenergy.org/), energy "barn raisings" will be held to both teach each other and educate the public. One of the activities planned will be a photovoltaic bulk purchase and barn raising for a grid connected micro-inverter system late this summer or early in the fall. The wholesale price for solar electric modules is now at the $1/watt module price for some modules. This is the price point at which PV has always been expected to cross with utility power. Information about solar water heating systems and other supplies basic to sustainable living will be covered also. The first organizing meeting is scheduled for June 17th at 5:30pm in the Solar Addition at UFM.
